“ Just heard the news about Chief Parker. I am a former employee of the MCSD during his tenure. I can truly say that Chief Parker was an honorable man with strong work ethics and to this day, I still carry memories of his workmanship. Although it has been many many years since I've seen him, it still saddens my heart to know that he is no longer on this side of eternity. In the joy of Jesus....

“ We were so very, very sorry to hear about Ken's passing. We didn't find out about it until later and regret that we missed the service for him. He was a very kind and generous person and though we hadn't seen him in several years, his presence will be greatly missed.
