“ *Kenneth was the man who stood up when he didn't have to. He gave us stability, clothed us, and put food on the table He was strict on us but made sure we were taken care of. As a teenager it was horrible you know the lights out by 10, no radio allowed at night, you know the basic teenage things you thought you had to have.. lol I will forever be grateful for him! I never said it enough to thank him for it or enough I love yous!! He will forever be in our hearts! I hope you are at peace.*
