“ Jane B. Garrison Fairbetter thought the World of her Life long Friend Legatha C. Paysinger. Our family remembers her fondly to this day . We wish they had been able to spend more time together before going Home to The Lord. Time is not a problem now.

“ This was one beautiful woman, both inside and out. She, throughout her lifetime represented how we all should live our lives and how we should treat people in general. She touched a lot of lives throughout her life, many that she probably didn't realize. The wonderful thing is, she passed all these many lifetime lessons on to her loving family and the goodness will continue on! Rest in peace, Beautiful Lagatha, and "GO VOLS!!" I truly feel blessed to have known her!
