*This, another late posting. Since returning to this area, I've thought of you many times, Lannie. Surely I saw you @ your brother's (Jerry) services years ago but I am not sure. My memories are of you as a really nice classmate at Blanche. It may have been 6 or 7th grade, but we were in the high school building.  
My sincere condolences to all remaining who are in their stages of grief. May God's presence be very real & comforting in every thought of Lannie.*
