“ Lovely Laura, It was truly a blessing watching you grow up. You blossomed from a long legged giggly teen into a beautiful and kind daughter and loving mother. You enchanted every one you came in contact with and you were so very loved by family and friends. May your sweet soul rest in peace, baby. M

My love and prayers to all of Laura's family on your loss. Laura was one of my cousins I didn't live close enough to see very often but we had a great time on Facebook. May you all be comforted in your time of sorrow and just know that you will soon see Laura again in a much better place. Love to everyone.
