“ We never realized the wonderful memories we were creating while sitting around Nancy and Bob's dining room table. All of us together laughing about our childhood memories while munching all day on the great foods we had all brought. When you think of (those were the days) it brings back so many good times we all had together. The families of the Whiteman's, the Van Horn's, the Janiszewski's, the Holman's, the Shields, many friends of Nancy and Bob, and probably others I am forgetting. I look back at those dinners with great joy in my heart and think how lucky we were to have had that time with each other. Ruth was a part of all that and I know your memories will help to comfort you .
Love to Judi and her brother, Nick and his family and Kelly and her family.
Sincerely
Aunt Jan, Tammie, and John and their families

“ We had so much fun taking our Mom's to cedar point, Judi, Kathy, and I. We then swapped Mom's to get them on the rides. Ruth and I were on the Himalayan ride and we laughed so much it was unbelievable. Was the best day ever with our MOM'S, NEVER TO BE FORGOTTEN! !
