“ *My condolences to your family.
Living to 101 is quite something. Many years of experience and wisdom gained.
Many don't realize that when God created man, death was never part of his purpose.
So to fulfill that purpose he will remember those who have died and will bring them
back to earth to enjoy life forever. Jo 5:28,29 Ps 37:11,29
Soon God will wipe away all tears and death and pain will be no more. Rev 21:3,4.
May you find comfort in these promises.

“ When we planned Mrs Brock's 100 surprise birthday party Mildred was going to get her there by fixing her hair as a present.. We tried to get her to put on a dress but she said, "I'm just going to the beauty shop, my house coat will be fine". When she arrived at the bank community building, the first thing she said when she saw all the people was, "Why didn't y'all make me put on a dress?". I offered to go to her house and get one but she said" I'm here now, it's ok". One fine lady set in her way!!! I sure Loved her and will miss her terribly.
