“ *You sure was a very great grandma to us grandchildren although at times things got hard you still stood out and had that great beautiful smile on your face . We miss you grandma you have completed your work here on Earth . I just wished you were still here to meet my kids and Stephanie's kid too . I would do anything to bring you and daddy and all other loved ones whom have gone home to be with Jesus back so I could hug yall and hear Y'all's voices one last time . You Angels are no longer suffering y'all are all pain free. I love all of you . Kisses from my family to all of y'all guardian Angels.*
