“ *To all my friends and family, the support that you showed to us after my Mothers death and at the funeral was amazing. We found that we have such wonderful friends who held us up and supported us and helped us to be strong. I would like to say a special thank you to Matt and Celest who did a wonderful job officiating the service. I also would like to thank Linda Phillips who sang mothers favorite song, and might I add did a absolutely beautiful job on Help me Make it Through the Night. It was not expected for us all to get up and say a little about our mother but I am happy we did. I want to thank Jalene for getting up and saying a few words, you really are my sister. Lauri Ann you loved my mother very deeply and we know that. Thank you so much for always taking care of her and taking Sassy to care for her and make her your own. I want to thank the Ardmore Chapel Funeral home, they did the most professional job I dont know how in the world they handled this crowd but they did. I want to also thank the Skyline Medical Center, Madison, Tennessee for allowing us to be there night and day and treating us with such kindness. Thank you and loves to all*
