“ Melinda,

I am so very sorry for the loss of your precious daughter. I am unable to attend the funeral living so far from the area, but I wanted you to know that my heart is breaking for you and that I am praying for your entire family. I can only imagine the pain and grief this has brought your family. Words bring little comfort in a time of great loss, but know I am thinking of you and your loss did not go unnoticed. BIG HUGS of strength.
