“ *I am so sorry to hear about Marchelle. We were best friends in junior Junior high school, then I moved to Atlanta in 1972. We kept in touch for a while then life took over. I was so happy to reconnect with her on Facebook about 12 years ago. She was a wonderful person. Clayton, she told me how happy you had made her and that she waited a long time to find a good Christian man. And I am so happy that you two were able to find each other. My thoughts and prayers are with you and I wish I could be there for you.*
