“ *Martha will always be Mott to me. I have know Mott ever since she was born. We were cousins. We had a lot of phone calls where we would talk about her day and family. She loved her grandchildren and family. I can not believe she is gone. She is in a better place. Mott I love you very much. I will not be able too be there with your family. You all will be in my thought and prayers. Love you all very much.*
