“ *My deepest condolences to all of you, Cynthia, Gary, Randy & Kathy and your families. I will miss this great lady so much. I will miss her phone calls, "just to see how you're doing" while Horace was so sick and afterwards. We shared our experiences and she was a rock for me. She will be missed by so many, and I am lucky that I have so many beautiful memories of her to make me smile during this time. COVID 19 keeps us apart physically now, but I hope you feel the love I am sending all of you. Again, she was a great lady and I was blessed to have called her my friend. Claire*
