“ *My wonderful second mother to me in the whole wide world. You helped to raise me by helping my Momma. We loved you dearly sweet Liz. I did what you wanted and painted your nails just like you always asked me too. So glad you got to enjoy THanksgiving with us at the house. You were in charge of cooking the rolls while we went out to smoke. I wish I would of talked more to you in the last few days but I was too busy to come to the phone. Laura gave me your message when you called. Love you forever and me and Scotty will tend to MR. Myron and take good care of him. We love him too.*
