“ *My dear sweet beautiful cousin, Cathy. What a blast we've had through the years. Our family has always been so close. Even though we were 650 miles apart. Typically, we could go for years without talking and pick up again just like no time had passed. I've loved you like a sister. I so saddened by your passing. I won't say good bye. I'll see you again and we'll get caught up. So, until we meet again.....*

Rest in Paradise, cuz. You'll always be in my heart!
