“ Our Madison Garden office staff had the pleasure to work with Mike, many of us for around 20 years. We will miss his sense of humor (him and Darren always joking and pranking with each other), his acts of kindness helping our residents with all their needs, and his dedication to his employer and co workers. We will cherish all the great memories we had ...the good, the bad, and the funny ones. May you rest in peace our dear brother, loved by many.
