“ *Me & Michael have shared so many great memories together. Whether it's jamming to music with him and Nick on our way to my house from school, just goofing off in the hallway at school, or chasing him around the football field in middle school while taking pics of him, we always knew how to have a blast. He's my first love and my best friend, and i love him so much. He's a hoot. i love and miss you Micky, i will carry you in my heart for as long as i live.*
