“ *If we live thru our children, I want to take the time to let Mrs. Mitchell know what her son has meant to me. I went to college with Troy and met Yancey. Troy was an older Brother in the fraternity I pledged, and kind of looked after me. We worked together at Food World in Florence, and he was my pledge trainer the third time I pledged. He was always a man I could count on for help. Even though he was a Brother, he never treated me like I was below him nor did he give me a hard time. I used his example when I became a Brother as well. Troy is one of the finest men I have ever known. there is nothing I would not do him, right now! I want to say how sorry I am this happened as I lost my Mother earlier this summer and am still getting over it, slowly. Condolences family and may God bless you all in this difficult time.*

“ Yancy and Troy, my heart goes out to you and your family members on the loss of your Mom and their Grandmother. Your Mom was a lovely, sweet woman who cared for others in their time of need, and now she will be with her loved ones. My prayers for the Lord's comfort and peace as you deal with this great loss. May the Lord Bless and Keep you in his loving hands.

“ Troy, Yancy and families, I have used this particular icon in celebration of Nancy Jane and our friendship of over 47 years. And it is a celebration. Your family became a part of my life in 1955 when my father took me to meet Mr Cowan to pick out my very first watch, then our church family at First Methodist, to the summer of 1970 when Nancy became so very special to me to this day when I so sadly have to say in goodbye to her.
We shared our sometimes wicked senses of humor that nobody else seemed to understand, and our troubles and triumphs. She was my dear, special friend.
I only have one more thing to say in my tribute to a very special person....Nancy Jane, I bid 7 No Trump and and we will stomp them!

“ Ms. Nancy was a frequent customer of mine while I was a manager at Hardee's. She was a sweet lady, had an infectious laugh and I always enjoyed her conversation. She loved her children and grandchildren very much. I remember her bringing her grandchildren after school for fries with plenty of ketchup. My sincerest condolences for the immeasurable loss of Nancy. She was a terrific lady. Alisha Schrimsher
