“ Nancy was such a loving caregiver to my mother. She was so kind and gentle speaking and always knew just what to say and do to make my mother feel less confused and more comfortable. She was a Godsend to our family and we were so blessed to know her. Prayers for her family.

“ I worked with Nancy at Decatur General for twelve years, which overlapped her own remarkable 30+ year record of service. She was a good friend and one of my favorite coworkers. Nancy and her friend Beth Evans were "two peas in a pod" who were both hilarious and always kept us entertained. So sorry I didn't know about Nancy's passing in time to attend the memorial service, but wanted her family and loved ones to know of my prayers, sympathy, and gratitude for having known her.

“ Nancy was one of a kind. There was never a time that she could not be relied on for support and encouragement for someone in need. She loved her friends and family and placed their wellbeing above her own. Admired and loved by all who knew her, she will be truly missed. Lifting up her family in prayer during this difficult time.

“ Nancy was a godsend to the Curtis family. She took wonderful care of our mother who loved her dearly as did the children, their spouses and all the grandchildren. We all considered her a part of our family. She was a wonderful, compassionate woman who touched the lives of many people. She will be greatly missed. ❤️
