“ *It was sad to hear the news from my brother, Ronny, that Nolan had passed. I know he is in a better place now. We grew up together, picking cotton, camping, hunting, and fishing on Limestone creek. Our swimming hole, the Bluff was right behind their house on Limestone creek. Nolan's Daddy, the original "Stump" and my daddy, Julius, were good friends and close neighbors. Stump was known for having goat stews and fish fries on Elk River. All the farmers in the Bethel (Wooley Springs) community participated. Ronny and I have so many good memories of the Haney family that I can't begin to list them all. We spent many nights at their house after a hard day playing in the woods or on the creek. God bless you Nolan and your family. Donny Magnusson*

“ *I was sorry hear of Nolan's passing yesterday, my prayers and deepest sympathy go out to the entire family. I enjoyed working with Nolan several years in Elberton, Ga. we had many good times together. Most involved Nolan cooking fish and the rest of us enjoying some of the best fish we had ever eaten. Nolan will be greatly missed but we will always cherish the memories of those good times! Jim & Judy McDonald*

“ So sorry to hear about “Stump’s passing. He was so good to Wallace during his living inGeorgia. They both shared a great love for fishing, and Wallace was to disabled to go alone. Stump was so good to come by pulling the boat, and yes they would catch their limit and then quit for the day. I enjoyed many delicious Crappie dinners because of the two of them. Sympathy and prayers for the family. Brenda Erwin McMullan
