“ *Pee Wee was the husband of one of my dearest and oldest friends. We are not kin by blood, but we share many kinfolk. I have known Janie since we were children. I consider her like a sister. Of course, when she married Pee Wee, he became like family to me. He was one of the nicest, sweetest people I have ever known. He was a very talented welder and was able to give his family a good life. Me and my husband, Gordon extend our sincere sympathy to the whole Beverly family. He will be missed, but he leaves a life well lived. Another star in the heavens tonight.*
