“ *I'm so sorry I wasn't there to help her in the last few months. I loved taking care of her while I was her hospice nurse. My thoughts and prayers are with you all!!*

“ *Paige was a great person. She would tell you like it is. I remember when she had her stroke while working at Publix, she vowed she'd be back and she was! When she left us, we missed her very much. I'm happy she is no longer in pain. Rest easy Paige!!*
