“ Barbara, Becky, Melissa and Family, I was devastated to hear about Paul. I know that he was dealing with a great deal of pain and he is in a better place but it is still hard knowing that when he is gone. I am sure he and Marvin are smiling down from heaven, watching over those they love. Paul was such an amazing person and touched the lives of everyone he had the chance to meet and I know that there will always be a special place in my heart for him. If there is anything that I can do for any of you, please dont hesitate to ask!
