“ I love this lady that I called my second moma. Moma Peggy was a wonderful kind and most of all Christian lady. I will so miss conversations with her. The most recent picture I have of her is holding one of my grand daughters. She sure did love little ones. I have many memories as a child growing up and staying with Moma Peggy. I had many first with her, like when I got chiggers and almost snake bit when picking blackberries. I remember helping her milk the cows. I remember one time that I stayed the night with her she stayed up all night with me cooling my high fever. When I had a cooking or canning question I would call her especially after my moma passed away. She made the best fried pies, my favorite was her pecan fried pies. We enjoyed many meals together. I know that she and my moma had a great reunion up there in Heaven. She told me several times how much she missed my moma. I love you moma Peggy. I will see you again some day. Tell moma I love her and miss her.

“ Aunt Peggy will be sorely missed. I will never forget the pig in the outhouse and the hours I spent snapping beans with her and soaking up her love. She was one of a kind. Rest in Peace Aunt Peggy!
