“ *Bryan and Teresa,*

*So glad I got to see you both in TN for Kaye's funeral. Wanted to let you know that I had looked for a tribute listing for your mom after she passed but did not see it posted at the time. Again, want to reiterate how much your mom was loved and how she will be missed. She was such a loving person and so very funny. Although I had not seen her for quite some time, I always remembered her laughter and wit. Just looking at her picture makes me smile!*

*We will send a memorial donation to the Alzheimer's Association in her honor.*
