“ Please accept my sympathies on your loss. Even with special strength (Psalm 90:10) we eventually submit to our great enemy death (1Cor.15:26). However we shall gain the victory in the end (Acts 24:15). May your good memories comfort you through coming days.

“ For the family: please accept my sincere condolences for your loss. May you find consolation in your precious memories, the love of your family and friends, and the reassurance found in God’s word. Though death is the legacy of our forefather Adam (Romans 5:12), we are not without hope. The ancient patriarch Job had deep faith in a future resurrection (Job 14:14,15). May that hope bring you peace of mind as well. We will soon see our dead loved ones again. Please feel free to contact me.

“ So sorry to hear, Dr Morrow was the best Chiropractor ever. Always tell the story of when I hurt my back and pinch nerve on saitic nerve and he worked the pain out after a period of time and the day it came out my foot I knew he was the best. When I moved away took me forever to find a Chiropractor with the same skills. Condolences to the family he was one of a kind
