“ This was my amazing grandpa who taught me how to garden, how to walk through forests, who always was up for adventures, even if it was walking on thin ice. I miss him so much and hope he knows I remember him and still grow his strawberries

“ Sue and Family, I am so sorry for your loss. I met Randy through the AARP Tax Aide program and worked with him several years. It was always fun working a site with Randy. I am sorry I missed the service. My sister saw it in the Shopper and sent me a text. My prayers are with you.
