“ Mother, You have been a most active part of mine and Jody's life during your nursing home life.Our road trips to old familiar places. How you expressed your joy of being outdoors and seeing all your beautiful flowers in bloom.We were never able to take our last planned trip,as you never gain your strength back.I feel blessed to have fed you, clothed you, and cared for your needs even into when you could no longer function.I was blessed by your expressions of thanks and love. I know you are now at peace and in heaven with daddy and Tim. All our Love
