“ Today (12/17/25), two years and 8 months late, I'm just learning of Becky's passing. I first met her at the Benefit show I organized in Nashville for her dad, Ernie Ashworth, in 2009. I got to know other members of the family, including Becky. We kept in touch through the years, but sadly I didn't see anything in my FB newsfeed about her passing and celebration of life. Today I was looking through my Memories on FB and happened to see a comment she posted on my page. It dawned on me that I hadn't seen any posts of hers on my FB newsfeed in quite sometime. Sadly, it was on her FB page that I discovered she had passed away in early 2022. I always enjoyed our conversations. May she Rest In Peace.

“ I am just now seeing that Becky passed 2 years ago. I had the privilege of meeting her before she sold the station when i was helping her with her cats at the station. She cared so much about them and was committed to spay and neutering those left. We had many chats about her dad and the cats. The last i heard from her she had text me that she had taken Flame home. I still have one of her cats. May she be at peace.
