“ My favorite memory is when we were playing 8u softball and he was the umpire. My family had told me I would get \$20 for every home run I hit. I had hit 3 alone that game and the next time I walked up to the plate Steve told me he would even pay me \$20 if I could hit another home run. I did and he just thought it was the best thing ever.

Steve was such a staple in the community and will be missed.
Continued prayers for the family.
