“ Please know you are in our thoughts and prayers at this difficult time. We had many great times with Rosemary while she lived in WV. She was a wonderful person who filled our lives with not only laughter but the beauty of her art. Many times she has been in our prayers and I'm sure many times we have been in hers. Even though she was miles away she was always close in our hearts. She will be sadly missed but, never forgotten. We will keep all of you in our thoughts and prayers and please don't hesitate to keep in touch.
