“ I have know Faye all my life. She lived down the road from my grandparents. We use play together when we would visit. Her mom gave me my first bites of candied carrots. I have a lot of fond memories of her. Sorry to say we never got to see each other much.. I think the last time I saw her was when my grandmother passed away in 1991. Love you Faye..

“ To the family of Ms. Moore with my deepest condolences for the loss of your beloved. May the outpouring of love from family and close friends bring you solace. May too, the scriptural promise of the resurrection by Christ Jesus at John 5:28,29 comfort you. At that time there will be no more sorrow nor tears nor pain, because all of those things will have passed. (Revelation 21:4)
