“ I can't believe this is real. I don't want too. Big moma was an important person in my life. She loved me unconditionally and kept me around no matter what, even in the hardest times. She was an amazing, beautiful, loving human being! This world lost a very special person! You will forever be missed big mommy! The only good part is you're finally with Lulu and Franko...
I love you so much! It will forever weigh on my shoulders that I didn't visit before...to see you one last time... fly high lovely lady!
RIP Big Moma

“ Big moma was my neighbor. She always waved when we saw each other. Always giving the kids candy, treats, and when they sold items for school, big moma always bought from all the kids, not just one.
I haven't known her long, but one only needed a few hours with her to know of her kindness. She is with our heavenly Father now. She will be missed!
