“ HEY mama,just being me,missing you so very much. I know Aunt Lois is with you and you finally got to meet pops I wish you could have been here though I miss you so bad mommy please come back to my dreams and talk to me some more I need you ,your sweet,mama voice...lost in my head and I don't know how to make sense of any of it. I hope you heard Amazing Grace by Elvis when you were crossing over and I hope you heard me telling you I loved you I hope you didn't feel any pain when you left this Earth and yes I did cut your hair and I have it in those asparagus rubber bands LOL thank you for eating some of that kielbasa the night before. AND I still hate that Estee Lauder I'll never throw it away and sometimes I spray it around my room and I still think it's gross but if I put the fan on high and wait a week that's all right cuz that was your favorite, and sometimes I spray it on your nightgown you know the baby blue one and sleep with it cuz I'm just that kind sentimental sad-sack 49 year old 4 year old that misses her mama it be so amazing if you could text me back from heaven I love you and I'm going to go to bed now.

“ To the family, may you find peace and comfort in the good memories and through love shown by family and friends. Also of great importance is comfort offered through God's word. Job had deep faith in resurrection (Job 14:14,15)
