“ You were a blessing to have as my dear friend. You had a heart of gold with a touch of sarcasm that brightened my life. I miss you so much and will never forget you. Your health was declining but you kept fighting. You endured more than most people could stand. God wanted you to come home...it's hard to take but I accept it and know you are free of pain and no more drama. I will cherish all the laughs we had and all the stories we shared. I am blessed to have known you I am grateful to have had you as my friend.
