“ We are so sorry for your loss. Summer was so sweet to my son when my Mother passed away in 2008. My son passed away in 2011, so I can truly say I feel for you. We had planned to attend the service, but missed the publication.

“ Summer was very special in her on way. She was very loving, and loved to have fun. I will never get through the fall season that I don't think about her. We loved to rob corn fields.

“ I am really at a loss for words. Your life was too short for the amount of love you had to give. You were kind, forgiving and a ball of sunshine. You only had to meet someone once before you were forever embedded on their memory. Your spirit was contagious to all it touched. We are sad to see you go but there are certainly going to be some happy angels !! Our thoughts and prayers go out to the family of this truly remarkable young lady. Will miss you dearly.

“ No matter where we saw Summer at, she always stopped to talk to us. We always ended up laughing at something she said or did. Summer was the sunshine on Gatlin Road and will be missed by everyone that knew her and loved her. RIP sweet girl.
