“ Chase, I want you to know that your Mom was a great person who loved you very much. I am so glad you have Edwin, your Dad to help you through the sad, rough times. Me and your Mom had some really good times and I loved her dearly. I remember when you were born, I came to the hospital on that day and there has been no one who cherished her son more than your Mom. Remember if you or your Dad ever needs me, I will be there for you like me and your Mom were for each other. Don't ever doubt the love she had for you and always remember the time you spent with her -those will be cherished memories in years to come. I'm gonna miss her and pray for God to comfort you.
