“ Two favorite memories of Mr. Tom... First one has to be in the fellowship hall prior to my knowledge of his profession. I argued for a very long time that yes you could turn left on red as long as no one was coming lol second funniest memory would have to be corralling our pig to take to the butcher Mr. Tom and Caleb made the situation so entertaining I was too busy laughing, then actually helping! Without a doubt his heart was for Jesus and his family. He was a blessing to know, and his wife, children, and grandchildren continue that blessing to know them.

“ My fondest memory with my cousin Tommy was when we lived in Chattanooga TN and all of us cousins were in the front yard riding around on our mini Model T car with wooden spokes. Tommy and I thought it would be fun to go fast but we turned too sharp and all the wooden spokes fell out of the tire and we crashed. We didn't know to laugh or cry that the car was now broken. Needless to say, we did get in trouble. We used to have such fun times when we all got together. I have not seen Tommy in years and am sad for that and not staying in touch. I do send his family Lots of Prayers and thoughts. Its the memories that keeps us going!!!
Sending my Love,

“ Known to us as Tommy since childhood ~ I have fond memories of the Sundays all the cousins (20) spent at Mamaw and Papaw’s, mostly I had Tommy ‘on my hip’ when he was younger. In 1963, our family moved from our home place of Ooltewah, Tn. to Huntsville, Al. Tommy was 7 years old when Franklin and Aunt Patricia also moved to Huntsville, making it their final home. Even as a young boy, Tommy had a kind and joyful spirit that stayed with him throughout his life.

“The soul that finds its home in God can never perish.”
