“ *When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me*

*I wish you wouldn't cry
The Way you did today
While thinking of the many things
We did not get to say*

*I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too*

*When tomorrow starts with out me
Please try to understand
That an angel came and called my name
And took me by the hand*

*The angel said my place was ready
In heaven far above
And That I would have to leave behind
All those I Dearly Love*

*But When I walked through Heaven's Gates
I felt so much at home
When GOD looked down and smiled at me
From his golden throne*

*He said This Is Eternity
And All I promised you
Today for life on earth is done
But Here it starts a new*

I promise no tomorrow

*For today will always last
And Since each day's the exact same way
There is no longing for the past*

*So When Tomorrow starts without me
Do not think we're apart
For every time you think of me
Remember I'm right here in your heart.*
