“ *Some things I'd like to say  
but first of all to let you know  
that I arrived okay*

*I'm writing this from Heaven  
where I dwell with God above  
where there's no more tears  
or sadness there, is just eternal love*

*Please do not be unhappy  
just because I'm out of sight  
remember that I'm with you  
every morning, noon and night*

*That day I had to leave you  
when my life on Earth was through  
God picked me up and hugged me  
and He said I welcome you*

*It's good to have you back again  
you were missed while you were gone  
as for your dearest family  
they'll be here later on*

*I need you here so badly  
as part of My big plan  
there's so much that we have to do  
to help our mortal man*

*Then God gave me a list of things  
He wished for me to do  
and foremost on that list of mine  
is to watch and care for you*

*And I will be beside you  
every day and week and year*

*and when you're sad, I'm standing there  
to wipe away the tear*

*And when you lie in bed at night  
the days chores put to flight  
God and I are closest to you  
in the middle of the night*

*When you think of my life on Earth  
and all those loving years  
because you're only human  
they are bound to bring you tears*

*But do not be afraid to cry  
it does relieve the pain  
remember there would be no flowers  
unless there was some rain*

*I wish that I could tell you  
of all that God has planned  
but if I were to tell you  
you wouldn't understand*

*But one thing is for certain  
though my life on Earth is o're  
I am closer to you now  
than I ever was before*

*And to my very many friends  
trust God knows what is best  
I'm still not far away from you  
I'm just beyond the crest*

*There are rocky roads ahead of you  
and many hills to climb  
but together we can do it  
taking one day at a time*

*It was always my philosophy  
and I'd like it for you too  
that as you give unto the World  
so the World will give to you*

*If you can help somebody  
who is in sorrow or in pain  
then you can say to God at night  
my day was not in vain*

*And now I am contented  
that my life it was worthwhile  
knowing as I passed along the way  
I made somebody smile*

*So if you meet somebody  
who is down and feeling low  
just lend a hand to pick him up  
as on your way you go*

*When you are walking down the street  
and you've got me on your mind  
I'm walking in your footsteps  
only half a step behind*

*And when you feel the gentle breeze  
or the wind upon your face  
that's me giving you a great big hug  
or just a soft embrace*

*And when it's time for you to go  
from that body to be free  
remember you're not going  
you are coming here to me*

*And I will always love you  
from that land way up above*

*Will be in touch again soon*

“ *The service was beautiful. What a honor to have known your precious Mother, Kim, Karla, and Art. She is walking the streets of gold with your Dad, and singing with the angels. She had a beautiful voice, You will see her again. Earth's loss is Heaven's gain. You sent*  
*When tomorrow starts without me*  
*And I'm not here to see*  
*If the sun should rise and find your eyes*  
*All filled with tears for me*

*I wish you wouldn't cry*  
*The Way you did today*  
*While thinking of the many things*  
*We did not get to say*

*I know how much you love me*  
*As much as I love you*  
*Each time that you think of me*  
*I know you will miss me too*

*When tomorrow starts with out me*  
*Please try to understand*  
*That an angel came and called my name*  
*And took me by the hand*

*The angel said my place was ready*  
*In heaven far above*  
*And That I would have to leave behind*  
*All those I Dearly Love*

*But When I walked through Heaven's Gates*  
*I felt so much at home*  
*When GOD looked down and smiled at me*  
*From his golden throne*

*He said This Is Eternity  
And All I promised you  
Today for life on earth is done  
But Here it starts a new*

*I promise no tomorrow  
For today will always last  
And Since each day's the exact same way  
There is no longing for the past*

*So When Tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart.*
