“ Miriam-I can't come but I am thinking of you and am so sorry for your loss. I know the feeling of the sorrow of her being gone, but the peace that comes from knowing that she is now at rest and out of pain. Mama had Alzheimer's for about 7 years and by the end I knew she was suffering. She had not been my "mama" for a long time and I already missed her before she passed. My thoughts and prayers are with you.
