“ Grandpa Bill I remember you for the first time met you at Clermont IN back in Labor Day weekend in 1989 I was 1 and a half years old before turning 2 years old. I still kept the teddy bear doll you gave it to me and I named you William "Bill" Chalmers Jr. to remember of you. Man it been long time I haven't seen you since in Florida 1992 for a visit before my brother Austin born. I wish you should stay in North Port Florida for seeing my graduation speech in May 25th 2007 but you move different places and haven't been touch to contact us.
I love & miss you always Lenny Mills
