“ I am so sorry to learn of Morris passing, I spent a lot of time in those stables as a kid and learning to ride and show horses. We won Little Miss Heart of Dixie 1983. I remember the steaks he used to cook. Prayers and condolences for the family.

“ Tina and family, I'm so sorry about Morris but also glad that he's healthy again in heaven. He was such a special person and I don't have the words to express how much it meant to me for him to come to my daddy's service. His body was so infirmed with arthritis yet he took the special effort to be there to support me and my mama in our time of grief. Very special man indeed, please let it comfort you that he was loved and respected by so many!! My wish for you and all his family is that you should be comforted by that knowledge, during this very hard time.

Sincerely,

*Renea Thompson Rupp, oldest daughter of
Leatus and Carolyn*
