“ *Mrs. Whitt and Family,
Some of my best memories of growing include you and your family--
the bus rides to school and knowing your children. Mother and
Daddy often spoke of all of you, keeping me informed where your
children were, etc. I pray that God will bring all of you peace,
comfort and strength for the adjustment and sad days ahead. In
Christ's love, Judy*

Hello. My name is Christine. I do not know your family but recently purchased a most wonderful piece of folk art that has a stamp on the back noting Harold Whitt as the maker. It is a homemade frame with a hand carved fiddle and banjo. I am so delighted by this art that I wanted to reach out and see if this is the dame Harold as the one that made this most wonderful folk art hanging. my email is cbreentechline@gmail.com. Thank you and know that Harold is living on in his work, his contributions to our world and his folk art! Hopefully this message will be read by a family member.
